

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

Fabiola Fragoso,

Plaintiff

Case No. 2:22-cv-01507-CDS-EJY

Order Directing Parties to File a Dismissal or Joint Status Report

V.

Wal-Mart Inc.,

Defendant

In their July 18, 2025 status report, the parties asked for an additional thirty days to file a stipulation of dismissal because “the process for obtaining final payoff letters is slow.” ECF No. 79. I granted that requested and extended the deadline for filing a dismissal document, or a second joint status report regarding settlement, to August 18, 2025. Min. order, ECF No. 80. That deadline passed without the parties filing the ordered status report or dismissal.

15 It is therefore ordered that a stipulation of dismissal, or a joint status report addressing
16 settlement, must be filed by September 2, 2025. 

Dated: August 26, 2025
